MEMORANDUM FOR: Chief [redacted]

FROM: [redacted]
Executive Officer, OTE

SUBJECT: Training Course for DCI Protective Staff

Dick:

1. Several weeks ago, the Office of Security called me regarding the possibility of scheduling a three-week course for new members of the DCI Protective Staff. The group will consist of one instructor and approximately four students.

2. At the time of the request I felt it was a relatively high priority requirement and that we could support them. They have recently forwarded an outline of their program along with support needed. The dates for this proposed training are 2 - 20 September. A copy of their course schedule is attached.

3. I now find that I am somewhat "wrapped around the axle". In looking at the schedule board for September, we have everything from [redacted] Midcareer Course, Field Administration, and some miscellaneous conferences. Would appreciate it if [redacted] and company could pursue the possibility of [redacted] conducting this program in some other facility [redacted] that might be available. It is a fairly high priority kind of thing and, if at all possible, we should try to accommodate them. Sorry for the inconvenience and hope that you can take me off the hook on this one.
